***Welcome & Agenda...**

Brief discussion about using raffle to raise funds. Is it legal?

>>> Tammi to do some research

President Report: (Glenn McWilliams) Briefly talk about open board positions

Vice President Report: (Amie Durocher) Nothing to report

Vice President of Communication Report: (Open position)

Treasurer Report: (Tammi Kotzker)

\$18,520 currently in the account but includes scrip distribution that still needs to be paid out

Parents should have received their TDMF (Team Dues and Meet Fees) report from the gym indicating what the booster club distributed for their child(ren).

We are still waiting for the IRS to respond to our name change request to add JO to the name.

>>> Tammi to follow up

Secretary Report: (Open position)

Gym Report: (Christi/Lisa) Nothing to report

Committee Reports:

Yearbooks/score books: Those in attendance agreed having a yearbook as opposed to score books by team is better. Amie proposed we presell the books prior to having printed so we don't throw so many away, if not purchased later. We should start these soon but they will not be done by the time the compulsory girls start meets in September. Christi said she cannot schedule team photos until she knows when competition wear will be ready. So it may not be until December/January when books will be ready. The printer we've used in the past retired so we need to find a printer who is willing to donate the printing.

>>> Need to find new printer

>>> Need someone to help gather information and photos by a deadline

Peaches: Kristin McWilliams said IGBC made about \$2800 from peach fundraiser. She will compile information to hand off for person who will run fundraiser next year so her gymnast is a senior.

SCRIP: Kristin will send out information again. It's a great opportunity for individual gymnast families to earn money as 25% goes to IGBC and 75% goes directly toward gymnast account.
>>> Need someone to take over when for Kristin, preferably work with her a few months before she leaves next spring

Also discuss, distributing funds of boy gymnast who's sister is on Xcel since he left and his funds were unused during Covid. It's about \$88. Board unanimously voted yes since it is a sibling relationship.

Shopping Extravaganza:

usually make \$10K plus

this year some changes to groups

to be in big group to be able to make most money we need at least 125 checkins

receive \$20/ticket (tickets are \$30 includes wine tasting, lunch, raffle tickets)

then big prize money gets distributed among organizations

>>>need 5 volunteers day of event (or 10 so can split into 1.5 hour shifts)

if not at least 125 checkins or volunteer doesn't show up we don't get money

tickets available now

this week until 9/10 org that has highest ticket sales this week wins \$500 bonus

send out email blast and make sure they choose Incline and put gymnast name in

Moms & Mimosas: This even (in May) made \$1100

New Business:

Board nominations - nominees are: President - Karen Tepoorten and Secretary - Stacey Seymour

Amie moved to nominate above to positions

Tammi seconded

vote passed
