***Secretary's Report*** - (Stacey Seymour)

***Gym Report*** - Christi / Lisa via Karen Tepoorten

- Upcoming Team Pictures on Thursday, December 9, 2021. An email with the schedule and location were sent out last week.
- There is a new front desk person, Destiny, who will be working part-time and will be available most afternoons to help the office and greet guests.

***Fundraising Reports***

- ShopwithScrip--(Kristin McWilliams) There will be one more order for physical gift cards, organized by Kristin M. The deadline to order is Monday, December 14th, at 10am to receive the cards by December 18th. Shipping costs of approximately \$13.50 per order will be covered by booster club.
- Yearbooks-(Amie) 47 people stated they were interested in a yearbook, only 26 have paid at this point. Several questionnaires have also not been completed by athletes. Plan for booster club to remind parents at upcoming photoshoot since all the athletes should be present. Anticipated printing will be in the week following the availability of the digital team picture downloads.
- Yard Signs- Booster Club in agreement to pay Heather \$5 per sign as she is using her Cricut machine and time to assemble empty signs. This still allows a \$15 profit per sign purchased.

- Holiday Wreath orders-All the overstock wreaths and holiday centerpieces were sold immediately.
- Shop Extravaganza-No final numbers yet, Heather Stiffler to report next meeting. Anticipate \$4100 plus possible other bonuses from the event.

### ***New Business***

- It was proposed that the way money is handled between the Booster Club and parents, should all go cashless and paperless. Karen is look into setting up Venmo account to a phone number. Currently we have PayPal attached to the Booster Club bank account, but Venmo will add another avenue for payment. It was noted that cash and checks were floating around with a possibility of being lost or stolen. Going cashless/paperless would also be a more simple and instantaneous way to deposit monies.
- Proshop will plan to open in the Spring to order logo wear. This was delayed to not overlap with IXPA fundraiser. Profits to be divided between the gym and booster clubs.
- In lieu of an organized Pro shop before season, IGBC with have a “printing day” on January 3rd, 2022. Kelly Guns has graciously donated her equipment/services and will apply the IG logo to pre-purchased wear and items. There will be several styles and sizes of logos to choose from at a minimal cost.
- Dad’s Club-A few parents have expressed interest in helping with simple projects around the gym

Next Meeting will be: Thursday, January 6, 2022 at 6:30pm

### ***Adjournment***
