Fundraising Reports
- ShopwithScrip–Kristin McWilliams to continue to organize through May
- Yearbooks-(Amie) Printer has requested letter for tax write-off. Tammi will send him a tax deductible receipt with an estimated gift ammount.
- Yard Signs- $660 made in sales
- Shop Extravaganza-This was a HUGE success! Heather Stiffler reports via text a final total of $14,758.30 earned for the booster club. This year's ShopEx is tentatively scheduled for 09/10/2022.

New Business
- It was proposed that the way money is handled between the Booster Club and parents, should all go cashless and paperless. Karen has set up a Venmo account to a new phone number. Currently we have PayPal attached to the Booster Club bank account, and Venmo will add another avenue for payment. Going cashless/paperless would also be a more simple and instantaneous way to deposit monies.

- Proshop will plan to open in the Spring to order logo wear. This was delayed to not overlap with IXPA fundraiser. Profits to be divided between the gym and booster clubs.
- Butter Braids-Raised $1600 last year for Booster Club. Amie to organize and will schedule a delivery time prior to Easter weekend.
- Dad's Club-Karen has given Christi and Lisa a few names of parents interested in helping with simple projects around the gym
